Engineer of Kabul District

I the undersigned Shafiga Bint Mahmood Yusef Ez Zaidan of Bagoun Village
 Tulkharn S/District beg to state that my son Ahmad Yusef Abdel Rahman
 of Kaf Jamal who was in your employ was run over by a car and
 killed during the course of his employment on Qalgilya road.

As I & his two sisters ^{Ayshah & Munirah} were wholly dependants on his earnings
 and now have no one else to support us for living I shall be
 grateful if you will kindly arrange for compensation to be paid
 to us in order to be assisted for living for which please accept
 our highest respects.

 Shafiga Bint Mahmood Yusef Zaidan

In the Sharia Court assembled at Tulkarm, it was proved that Shafiqa Bint Mahmoud Yousef Ez Zeidan of Qaqoun village, Tulkarm Sub District had a son named Ahmad born to her from her husband Yousef Ahmad El Mansour who was well known by Abu Daqar of Kafr Jamal village of this sub district. Her son was run over by a car which resulted to his death during the course of his employment by the P.W.D. on the repairs of Tulkarm Qalqiliya road.

The above mentioned son Ahmad was the sole supporter of his mother and two sisters Aysheh and Amneh who were wholly dependants on him.

She has another son named Mohammad who did not care of the mother and sisters and her husband Yousef Ahmad has left his wife since 4 years in her village Qaqoun and lived alone in Kfar Jamal who did not also care for supporting the family.

The death of her son Ahmad, ^{caused her} ~~she~~ and her daughters ^{to} ~~have~~ suffered great damages and hardship in earning their livings.

Since the above statement was proved to the court, this certificate in writing is hereby given at her request on the third day of Rajab 1354 corresponding to the 2nd day of September 1935.

Yousef Abdul Rahman Ahmad El Mansour, in his letter dated 24-3-35, a copy of which was forwarded to you under my letter 7/16/4/7 of 27-3-35, claims compensation both for himself and his family. I presume that the family is composed of the mother and two minor sisters, referred to in the certificate of the Mukhtars and Elders, forwarded with your letter under reference.

As representative of the dependants, Yousef Abdul Rahman Ahmad El Mansour should be requested to submit a certificate by the Sharia Court, which should be supported by the evidence of the Mukhtars and Elders of the Village specifying the dependants of the late Ahmed Yusef Abdel Rahman Ahmed el Mansour, within the meaning of section 2 (e) of the Workmen's Compensation Ordinance, 1927.

The amount of compensation, if approved, will be distributed by the President, District Court, Nablu, to the persons entitled thereto, in accordance with paragraph 5 of the second schedule to the Workmen's Compensation Ordinance, 1927.

Yusef Abdur Rahman Ahmad El Mansour, the
father of deceased, was not dependent on his son.

.....

The attached letter, in original, with
translation from the Mukhtar, has been obtained by
the District Officer, Tulkarm, which states the position.

It is questionable if the deceased has
any legal dependents since his father is really
liable to support his own wife and their children and
the dead himself was not married.

The deceased was in fact supporting his
mother and her other small children, owing to the
fact that his father has abandoned his mother and
gone to live in another village with another wife.
Up to the present no claim has been lodged on their
account.

Claimant: Yousef Abdel Rahman Ahmad El mansour of Kafri Jamal Village, Tulkarm Sub District.

Subject: Claim for compensation

Sir,

On Thursday the 6/3/35 my son Ahmad Yousef Abdel Rahman Ahmad el mansour of Kafri Jamal was run over by a big lorry which was driven by a driver from Jenin and which resulted to the death of my son on the spot while in the course of his employment at P.W.D. Tulkarm between Dalgilya & Taybeh.

My son has been employed by the P.W.D. Tulkarm for the last two years during which period he was carrying out his duties to the entire satisfaction of his Superiors.

Being an old man and my son who was run over by the lorry during the course of his duties was the only person who was supporting me and my family and I had to bear extra expenses for transporting him to & from habbes which amounted to L.L. 6, 500 lily and whereas our state of affairs now became very acute and deserves your personal kind consideration, I shall be glad therefore if arrangement could be made for a grant of compensation in order that I may be able to pay the debts which was loaned to me due to the death of my son and for my assistance in the livelihood of my family for which I & my family thank you in advance.

I beg to remain Sir,
Your Obedient Servant
